Bishop Johnson's text was the Second Epistle of Paul to the Corinthians, 4th chapter, first and second verses. He brought out the idea that the minister is not naturally superior to the

people, only through grace, and further that the business of the preacher is to reprove wrong. To preach the gospel in its highest sense was to have business with men's consciences. The presence of the spirit was manifested.

A collection of \$50.00 was received. After the collection the following were ordained Deacons and Elders:

Deacons—Pinkney Otto Jones, Blake William Smith (re-obligated), Thos. J. Walker, Rufus Isaiah Patterson.

FIFTH DAY—AFTERNOON SESSION—3 O'CLOCK.

The Conference re-assembled in Coppin's Chapel with Revs. J. M. Henderson and W. T. Carnish conducting the Divine worship. "All Hail the Power of Jesus Name" was the last song sung before preaching. Dr. Leak gave a short history of the church and presented the Bishop to preach. He chose a text from St. Luke, 13th chapter, 18-19 verses. The leading thought was "The Kingdom of Heaven, and How it is Established." God's way to establish it is to bring the laws and customs of Heaven down to earth, which is established through the power of God in conjunction with human powers.

The Lord's prayer was chanted by the choir and congregation, after which Dr. Leak opened the doors of the church, and also started a collection with \$1.00. A collection of \$27.09 was raised at once.

The Bishop spoke complimentary of the efforts made by the brethren to build and establish a church in that vicinity. The pastor, Rev. Whitted, made a statement also.

His text was Isaiah 2:2; Theme, "The Ideal Church." The gist of the sermon was the durability, exaltation and continuity of the church.

# Presiding Elders' Reports.

---

## Morganton District.

To the Bishop and Conference:

My Dear Co-laborers in the Kingdom of God—I stand before you today after another year's hard work, to make to you my report as Presiding Elder of the above-named district. This year's work has been a hard one indeed in more ways than one. We have had fightings without and fears within, but despite all of this, I have a great many reasons to rejoice, for it could have been worse with me than it has been. I am learning more and more how to glory in tribulations. It is the common lot of all of the soldiers of the Cross to have to fight against the world, the flesh, and the powers of wickedness, but if we have Christ as our Captain we shall come out of life's battles more than conquerors. "If God be for us who can be against us."

Our people have been very much discouraged this year on account of the great drouth, which was said to be the worst ever known in this country, but after the great distress it appears that the goodness of God has provided enough for all, not only man, but every living creature, for which we should be thankful.

Most of the pastors and members, composing the Morganton District have given themselves more this year to the saving of souls than to the local temporal work, and in this they have been very successful, as the following reports will show:

Rev. W. H. Carter, B. D., pastor Gaston Chapel, Morganton, has had 10 conversions at this point and 12 accessions.

Rev. W. H. Manokoo and his people have been able to pay the last note of mortgage debt on St. James church at Asheville. The church has also been blessed with a good revival. Number of converts for this church, 7; number of accessions, 20. Our Sunday School Convention met at this place and was well entertained.

Hickory Station has done well under the pastoral care of Rev. C. A. Stroud. A new parsonage has been built, which adds very much to this charge. Also the notes against this church, given at the time of its construction, have been met, when due. These facts speak well for this pastor and people. This church also has the best Christian Endeavor in the district.

Lenoir Station is under the watchful care of Rev. J. T. Tate. Rev.

Tate has done good work at this point. He always has done good work. The parsonage has been improved, old debts paid, and the work revived. Rev. Tate has also taken to himself a help-mate. Number of converts, 19; number joined the church, 25.

Rev. J. M. Henderson is in charge of the Glen Alpine Circuit. This is one of the best circuits in the district. For years it has been known as the "Banner circuit" for Educational Money. Rev. Henderson has improved one of the churches on this work; also added a room to the parsonage, and otherwise improved the house. Number of converts, 44; number joined the church, 38.

Shiloh Circuit is in charge of Rev. Wilson F. Murray. This is the largest circuit in the district. In fact it has more members than any point in the Morganton District. Bro. Murray has done well on this work this year. Number of converts, 36; accessions, 36; all joined the church.

Charlotte Station, Rev. W. C. Cleland, pastor. It is known by this Conference that this church is burdened with a great debt, so great that it has caused Rev. Cleland and his members a good deal of worry and trouble this year to keep the doors of the church from being closed against them by the creditors. Dr. Leak, the chairman of the Conference Incorporation Board, met me there during my second quarter and helped Rev. Cleland and myself to hold our creditors for a while. Rev. Cleland and his people deserve much credit for what they have done for this church this year. They have been blessed with two converts; 13 have united with the church. I hope this Conference will see its way clear to help our church at Charlotte. I think if we can get our church paid for, it will soon double its membership.

Yadkin Valley Circuit—Rev. M. S. Patterson, pastor. Rev. Patterson has his work in good shape. He and his people have finished their church at Warrior, which is one of the prettiest little churches in the district. Number of conversions, 40; number of members taken in the church, 38, this year. Our District Conference met at this point and was royally entertained.

Connelly Springs—Rev. D. L. Thomas is our pastor of this mission. This point has been blessed with the conversion of 31 souls. Number joined the church —.

Adako Circuit—Rev. C. E. W. Johnson, pastor. Rev. Johnson has done a good work this year. One church has been ceiled, another has been torn down, moved and rebuilt. Conversions, 26; accessions, 25.

Hartland Mission—Rev. R. I. Patterson, pastor. This is a small charge. Rev. Patterson has done as well as could be expected. Conversions, 5; accessions —.

Statesville Mission—Rev. R. D. Davis, pastor. This is also a small mission. It is in a good part of the State where there are a goodly

number of our people, and I see no reason why our church should not grow there.

St. James Church at Adako, the church started by Rev. J. A. Perkins, will soon be completed. When it is finished it will be one of the best country churches of which I know. Number of conversions, —; accessions, —. Rev. C. E. W. Johnson resigned this church in the early part of the year.

Asheville Mission—Rev. S. O. Mance, pastor. There is no church nor members on this place. Rev. W. J. Jordan, D. D., bought a lot on which to build a church. It is located in a desirable part of Asheville, and if there is a church built on this lot, I feel that we can soon build up a good congregation. I ask the Conference to please help this point to meet the note that is due in a short time.

We have a new mission started near the Yadkin Valley Circuit. Bro. J. N. Scott, a local preacher, has charge of this work. The outlook is encouraging.

Rev. J. T. Tate has begun a new mission at Lenoir.

We were much pleased to have a visit to our District this year from Dr. R. H. W. Leak, P. E., and Dr. K. C. Holt, P. E., and other distinguished men of our Conference.

Yours for the Cause of Christ,

C. H. KING, P. E.

#### Greensboro District.

To the Bishop and Conference:

Dear Father and Brethren—As representative of the "Gate City" District, Western North Carolina Conference, A. M. E. Church, it affords me supreme pleasure in presenting my third annual report for your consideration. In summing up the labors and accomplishments for the past year, in that I am not unmindful of the fact that we have been the recipients of the Divine blessings of God, to whom belongeth all glory, honor and praise and dominion. On the 5th inst., I met with a very painful and serious accident resulting in a dislocated ankle, lacerated ligaments and comminuted fracture of the right fibula; despite my misfortune, through Providence, I am here to present my report, trusting that it will meet your approbation.

Suffice it to say that in consideration of all the environments surrounding our work, we have been able to make some progress, along both the material and spiritual lines. Our creditors have become very much impatient, and are still pressing us severely; it is a sad,

yet true declaration, that we are building beyond the financial ability of our people, and therefore we are forced to make obligations which we know, at the time, are impossible for us to meet, consequently we are brought to face the criticism of the business world.

In view, thereof, the Church is losing its reputation for honesty and truthfulness, and in a large measure the people stay out of the Church, rather than face the greivous and hard burdens with which the Churches are encumbered.

Were it not for the earnest consecrated ministers, whose judicial experience and wise management were a little above the average, we could not have succeeded so well.

The District Conference and Sunday School Convention convened in Guilford College and Winston-Salem, respectively. The work in planning for the future development of the District was despatched with admirable results. Every department of the Church has been well guarded under the vigilant eyes of the present corps of ministers, and sufficient interest manifested, in order to have every report go beyond or eclipse that of the past year. The following will give you a summary of the work in the respective charges:

Bethel Station, Greensboro, is under the pastoral supervision of Rev. W. J. Jordan, D. D., who has striven hard in order to make an unprecedented record; in so far as the erection of the most magnificent eight-room parsonage, with electric fixtures for lighting, etc., is concerned, he has succeeded, but so far as a permanent growth is concerned very little has been accomplished for several years. Dr. Jordan, however, is earnest in his efforts for righteousness, and is laboring hard to bring the church back to the old landmark. His work will commend itself, and he is worthy of your most earnest consideration. His reports are all in excess of last year.

St. James Station, Winston. This charge enjoys the distinction of having for its pastor Rev. H. S. Roberts, who was transferred by your Reverence from the Virginia Conference during the month of April to succeed the Rev. T. W. Cotten. Rev. Roberts was somewhat disappointed to find the church in such a critical condition from a financial standpoint; he took hold, however, with a firm grip, formulated his plans, and began work, and up to the present he has had admirable success in that he is gradually restoring confidence. Through his plans he succeeded in reaching Mr. Dick Reynolds, a rich philanthropist, who contributed \$100.00 on the indebtedness of our church, hence enabling the pastor to come to the relief of the trustees of the Conference Incorporation in canceling two judgment notes, amounting to \$334.37. Rev. Roberts has fully demonstrated his ability as financier as well as pastor. His reports are O. K.

Union Bethel Station, Winston—This charge has for its pastor Rev.

A. L. Price, who knows no failure as a General, has but few equals. His church is inconveniently located and for years has struggled for existence, due to that fact, in view of this, the pastor, with his Board of Trustees, bought a lot on Trade street, and have under construction a beautiful church edifice, practically enclosed, with but a little indebtedness remaining, so far as they have gone. Before they are ready to enter, however, it is necessary for a good deal of work to be done. The reports, as you will find, are all O. K.

Wayman Chapel, Mt. Airy and Dobson—Rev. R. L. Tillery (pastor. This good brother has done remarkably well under circumstances, and I think should there be no providential hindrance, if in case he is returned he will do even a greater work. He has given stimulus and activity to Dobson Mission as will be shown in his report. Rev. Tillery is a zealous and fearless worker in the Master's vineyard.

St. Matthew Circuit, Burlington—Rev. James Tate, pastor. This indomitable hero of many battles has accomplished quite an excellent work. On taking charge he found a pretty heavy debt, amounting to \$650.00, including interest, which he has reduced to \$420.00. Rev. Tate possesses those virtues which characterize a consecrated Gospel minister. His congregation is devoted to him and sincerely plead for his return.

Pleasant Garden Circuit is under the pastoral supervision of Rev. J. W. Dalton. To say the least of this great and good brother is to say that he keeps a vigilant eye on every interest of his church work, allowing no one part of the departments to suffer on the account of a failure of his duty. Turner's Chapel, formerly called Goshen, on this charge was destroyed by some of the white parties who laid claim to the church property in order to deprive the congregation of its use. I advised the pastor to have warrants issued for forcible trespass, and this point is now in litigation, otherwise the Circuit is in excellent condition.

Liberty Circuit—Rev. J. P. S. Chalmers, pastor in charge. This Circuit is in very good condition. Rev. Chalmers is laboring very hard to have this Circuit compare favorably with the best Circuits of the Conference, materially as well as spiritually, and from my viewpoint he is doing as well as we could hope for under circumstances.

Altamahaw Circuit—Rev. S. Jones is pastor. This is his fifth year and suffice it to say he has made an unprecedented record along every line in common to church work. Father Jones knows no failures and whatever has been committed to his care has been husbanded with the greatest precaution. This Circuit has had a substantial growth, materially as well as piritually, and today is in as good condition as any charge in the district. Elder Jones deserves your earnest consideration.

Guilford College Circuit is pastored by Rev. H. T. Reddick, who,

in my opinion, has done a very good work under the conditions that have surrounded it. Rev. Reddick has been somewhat indisposed and yet has managed to keep his work going. He is an excellent church worker, having well in hand the reins governing his church work. You will find that his reports will compare favorably with the previous year.

Whitsett Circuit enjoys the distinction of having for its pastor Rev. D. Smith. Rev. Smith on taking charge found some indebtedness with which he had to grapple, and one church without seats. He has succeeded in ridding the church of debt and comfortably seating it. This small Circuit has among the best people in the district constituting its congregation. They are both loyal and faithful to duty. This good brother deserves much credit for what he has accomplished.

Reidsville Mission—Rev. J. S. Carthran, pastor in charge. This work has done remarkably well under the conditions which have surrounded it. The congregation is very small and the church debt is very large, in view thereof the creditors have become impatient and say that this Conference must come to the rescue of the congregation or they will have to resort to other means to get their money. I have succeeded in prevailing with some of our creditors to spare us until the meeting of this Conference and I would see if there was not a possibility of getting them some money. Rev. Carthran is about the only man in the Conference, in my opinion, that can stay in Reidsville and accomplish the work of the church. Of course he has done it at the expense of his own salary, and exclusively for the Church's sake.

Asheboro Mission is under the pastoral care of Rev. Thomas Walker, who indeed has accomplished a very excellent work, when we consider the small membership of only twelve; he like a valiant-hearted soldier stood at his post of duty. Notwithstanding the membership is small, they are loyal to the core. They are now preparing to build a new church edifice, and therefore ask this Conference to assist them. Rev. Walker deserves much credit.

North Greensboro Mission—Rev. G. W. Verbal, pastor in charge. This is one of the recently organized points, and to my agreeable surprise is succeedly admirably well. I think with the proper pastoral care this is destined to become a strong point. Rev. Verbal seems to like his people very well and therefore his people hear his voice.

East Greensboro Mission—Rev. G. M. Foster, pastor. This work has prospered about as well as could be expected under the conditions. Rev. Foster is zealous in his efforts to have this point succeed.

High Point Mission is pastored by Rev. P. H. Holt, who has done remarkably well. He is destined to become a strong Gospel preacher.

Most respectfully thanking you dear Bishop for the confidence imposed in me, I beg to remain,

Very faithfully,

K. C. HOLT.

Durham District.

Durham, N. C., Dec. 2, 1911.

To the Bishops and Conference:

I take pleasure in submitting my report for the year ending November, 1911.

We are thankful to God that our lives have been spared and that we are here to render good reports. There has been some special work done, the Rev. J. A. Whitted is building a new church near East Durham and Rev. W. E. A. Wilson, of the Rocksboro Circuit, is building a church, which bears the name of the father of Dr. G. W. Adams, of this city.

We have had great revivals of religion, many conversions and a good many members have been added to the church.

We attended the quarto Centennial at Kittrell in May and had a grand report. Of the five medals offered four of them came to the Durham District.

The pastors of the District are the following: Drs. J. E. Jackson, L. L. Berry, A. J. Corde; Revs. W. T. Cornish, L. A. Woods, H. C. Nunn, J. W. White, D. F. Newby, W. E. A. Wilson, C. O. Crowell, J. A. Thompson, J. A. Whitted and R. A. Foster.

We are also thankful to say that peace reigns supreme throughout the district. This being our fourth report to you and knowing as we do that we must report to Jerusalem, I mean General Conference before another session of this Conference will convene.

We thank you very much for the interest you have taken along all lines of the work in this Conference. We would like to have you return another quadrennium, and should the General Conference see fit to return you, we welcome you in advance. Our motto has been and is, "We must work today, and rest tomorrow." With this motto we have succeeded in helping the women in missionary work and made good reports at their conventions.

Conversions of this District, 201; accessions, 225; baptisms, 113; marriages, 29; deaths, 54.

You will see from the above figures that the mortality of the district has not been very large.

Very truly servant,

316 E. Davie St., Raleigh, N. C.

R. H. W. LEAK, P. E.

## ADMISSION.

To the Bishop and Members of the Conference:

We your Committee on Admission beg to report as follows: We have had before us the following named brethren:

Norman C. Dadd, aged 48 years.

Thomas J. Walker, aged 37 years.

B. W. Smith, aged 35 years.

Charlie Steele, aged 34 years.

P. H. Holt, aged 33 years.

We have examined them in the Curriculum as outlined, and find that Bro. Norman C. Dadd, Bro. Thomas J. Walker and Bro. B. W. Smith are fairly conversant in the prescribed studies. We recommend first, that Bros. Thomas Walker and B. W. Smith be admitted on trial. Bro. Norman C. Dadd is beyond the age limit; but since this church asks for his ordination, we recommend secondly, that he go before the Committee on Second Year's Studies.

We recommend thirdly, that Bros. Charlie Steele and P. H. Holt be left in the hands of the Presiding Elders, to be used, since their literary qualifications do not measure up to the requirements. We, your committee, urge upon these brethren to pursue a regular course in the English branches of study, that they may better equip themselves for the ministry. They have most of the books, and are fairly conversant in some of their studies, but since they have not had educational advantages we deem it wise to leave them in position to be used and yet pursue their studies.

Respectfully,

K. C. HOLT, Chairman,

J. E. JACKSON,

C. E. W. JOHNSON,

C. H. KING,

Committee.

Smith and have carefully examined them and find the above-named brethren proficient in the studies as per discipline. We therefore recommend that Bro. R. I. Patterson and P. O. Jones be received in full connection and ordained Deacons. And also recommend that W. C. Dadd be advanced to the local orders for St. Joseph, and that Bro. D. W. WESTERN NORTH CAROLINA CONFERENCE INCORPORATION.

To the Bishop and Conference:

We, the Trustees of The Western North Carolina Conference Incorporation, beg leave to submit the following as our report:

The financial conditions of our churches at Winston-Salem, Charlotte and Reidsville have been in a very bad shape and these churches are still in a deplorable financial condition.

Your Trustees have done the best they could in order to save our property from going to sale; "borrowing from Peter to pay Paul."

The President of the Board, Dr. Leak, and the Treasurer, Mr. Weaver, and the Secretary, constituting the Executive Board, have manifested no little concern in their work to save the property.

Reidsville is hanging between the sheriff's hammer and the Building

and Loan, and unless we can get \$100.00 from this Conference I don't know what the future of that church will be.

Charlotte has been brought up to this Conference, and something must be appropriated in order to satisfy its creditors.

### EDUCATIONAL REPORT.

To the Bishop and Members of the Western N. C. Conference:

Ladies and Gentlemen—Greeting: In an attempt to make a report on Education, we beg to say that this is a subject of great concern to the whole country and one which invites the most critical observation of both pessimist and optimist.

We are living today in an age of ideas, an age of thought, an age of activities, an age of accomplishments. The world today has a standing invitation to men who think and who can bring things to pass.

In other words there is little or no room for the dwarf, the man without an idea or the man who has not the ability to convert thought into assets. In order that one may gain a recognized place in the world and hold it, he must make a contribution of thought, or he must be able to satisfy his contemporaries or those to follow that he is

able to do something more than simply execute the orders that may be given him.

Man has important and significant distinctions which establish the fact of his superiority above the animals of the lower order, such as reason, conscience and others which we do not take time to name.

Inasmuch as God created man in His image and likeness and gave him dominion over the earth and its creatures, with the express command to him to subdue it, it is plainly evident that in order to subdue this great world in which we live, and to replenish it, and cause it to multiply, requires thought, it requires wisdom and knowledge.

We talk about wisdom, knowledge and intellectual progress and development, but all of these terms may be and are comprehended in this one word, viz: Education—a drawing out of finer and better qualities in man.

The world is calling today as never before for men with broad minds, men who can and will subdue this terrestrial ball upon which we live, men who have acquainted themselves with the human family and its needs, men who know how to harness not only forces in nature, but the forces of mind and character and circumstances as well, and how to pull the reins so as to insure movement in the right direction and at the right time, with such progress as will result in accomplishing something in this world.

We must do something if we would be remembered after we shall have quit the shores of time.

The A. M. E. Church, of which we have the distinguished honor of being members, has long since registered herself as committed to this great work of education, and has expressed it in the establishing and maintaining of such schools as "Wilberforce," "Morris Brown," "Western University," "Paul Quinn College," "Edward Waters," "Payne University," "Allen University," "Bethel Institute" in South Africa, Kittrell College, and others that we don't take time to name.

Our work may not have met the success it so richly deserved at all times, but as ministers and members of this great church we beg to advise on behalf of this committee that our work as a church is but in its infancy. Our work in the educating of our people has only begun, we are in the morning of our educational work and activities, we are but laying the foundation upon which unborn generations must build. Why not do this work well?

The world demands of you the same qualifications to do a given work that it does of other men, and why not strive for the highest possible attainments in your chosen calling?

It makes little difference whether you are a farmer or a mechanic or a professional man, an author, a poet or a pastor, if you would make your mark in life and write your name with indelible characters, that stand out in bold relief that the sons of men though yet un-

born, as they come upon the arena of life, "may read as they run, and run as they read," let each and every one bestir himself to living activity that will be expressed in visible assets, such as churches, institutions of learning, and men and women whose life and work for good, will bring up to God a harvest of splendid units.

As to a minute rehearsal of the accomplishments of our various institutions, we leave to our Commissioner of Education, who is to speak tonight. We urge, however, that each pastor going down from this Annual Conference pledge himself to the unstinted support of Kittrell College, that she may be emancipated from debt and be a light house permanently established, that the sons of earth in years to come may rise and call you "blessed."

Respectfully submitted,

J. D. COWAN, for Committee.

## REPORT ON STATE OF THE CHURCH.

To the Bishop and Conference:

We beg to submit the following as our report:

First. We may ask what is the church and its mission? It is a Divine institution, born of God; and presented to the world by Jesus Christ, the body of which Christ is the head; a congregation of faithful persons in which the word of God is preached and the sacraments duly administered, according to Christ's ordinance.

In all, those of necessity are required to do the same.

Its mission is to go everywhere, and carry the light, truth and grace and set up the kingdom of Christ into the hearts of men. So we can readily see, what the light is to the mariner out on the trackless blue deep, on a dark and cold night, with sweeping storms, the ocean angry and threatening, while devouring animals await the final wrecking of the ship. So, every since Adam wrecked the world and changed God's plan, the church has been restless and busy; after fallen man, in almost hopeless despair, who is doomed to be lost and can only be saved through an active church.

We are glad to say, that the church, as never before, is awakening, both in native and foreign lands and is assisting her Divine Head as did the prophets of old, who said, "Awake! Awake! put on thy strength, O, Zion, put on thy beautiful garments, shake thyself from the dust arise, for the voice of him that cryeth in the wilderness." "Prepare ye the way of the Lord, make straight in the desert a highway for our God, for every mount and hill shall be brought low and the crooked shall be made straight and the rough places plain."

We glean from some of the leading journals of today, as well as from the most perfect men of the church, that one of the greatest movements of today is unity or a consolidation of the various Christian branches which is in accord with that prayer of our Saviour, "That they may be one as we are one."

So the church is setting on higher ground, taking a bolder stand and attacking the kingdom of darkness; the battle cry being, Onward' March!

She is doing more for missions than ever; her consecrated workers are now in every land, preaching the everlasting gospel of peace, thereby spreading the kingdom of God.

The statistics of our church show increased membership, and reports of this Conference progress. Let us pray for power to further the work of Christ and His Church.

#### REPORT ON THE STATE OF THE COUNTRY.

We, your Committee on the State of the Country, beg to submit our report as follows:

To our mind there is no report of more importance than this because it affects us materially as well as religiously.

Our country enjoys today the distinction of being at peace with its own subjects as well as those of foreign countries. This reign of peace has been supplemented by a rapid and staple progress of more recent years which we have the privilege to enjoy.

God has provided for us in many ways during the past year; the earth has yielded an abundant harvest for our good. The laborer may find plenty to do, thereby enabling him to better provide for himself and family notwithstanding the cost of living is beyond that of former years.

The conditions, in some instances locally, are somewhat sad, for instance, the frequent occurrences of lynchings and riotings. Let us pray God that the time may soon come when it will be unheard.

The development from the standpoint of inventions is indeed wonderful, especially when we consider the aeroplane, wireless telegraphy and the cotton picker.

From an educational standpoint, our country is manifesting a deeper interest today than ever before in the world's history.

Respectfully submitted,

J. E. HOLT, for Committee.

## MEMOIRS.

To the Bishop and Conference:

Your Committee on Memoirs beg to submit the following report:

The departure of our friends and co-laborers from this to a world unknown to us, reminds us that, "In the midst of life we are in death."

Yet, we are not disturbed concerning those who die in the Lord, for they rest from their labors, and we are convinced of the fact, that "the paths of glory lead but to the grave."

The following ones have gone to be with Him since last we met: Church at large—Rt. Rev. Abraham Grant, Presiding Bishop of the 5th Episcopal District; Rt. Rev. James A. Hardy A. Hardy, retired; Mrs. Grant, wife of Bishop Grant. Conference—Rev. David W. Womack, Mr. Geo. M. Nunn, son of Rev. H. C. Nunn.

Whereas, God, through his anerring providence has taken these our loved ones from labor to reward;

Resolved, That we cherish their memory by striving to emulate the good deeds they wrought for God and humanity.

Resolved, second, That we hereby extend our heartfelt sympathies to the bereaved ones, and commend them to God, who brings deliverance to those who call upon Him in the time of trouble.

Respectfully,

C. H. KING.

R. H. W. LEAK.

C. A. STROUD.

## RESOLUTIONS.

The Quadrennium of the Rev. L. J. Coppin is nearing its close. For four years he has served us, faithfully, earnestly, impartially and generously. At no time has he marred his splendid Christian record by an exhibition of worldly ambitions or selfish greed. At all times he has been patient in his investigations, impartial in his rulings and generous in his feelings and instead of arbitrary domination he has ruled, governed and presided with Christian dignity and love.

We therefore deem it necessary and fitting that some expression of appreciation should at this time be made;

Therefore, Be it Resolved: That the Western N. C. Conference does hereby heartily place itself on record as greatly appreciative and unreservedly endorsing the sober, wise and Christian leadership and administration of our beloved Bishop.

That while we appreciate the great work he has done and the splendid Christian teaching and examples he has given us, we are satisfied that the interests and growth of the church at large, and this Conference especially will be best subserved by continuing through a second four years. He knows our conditions and needs

and the W. N. Conference does hereby earnestly ask and respectfully petition the return of our beloved Bishop Rt. Rev. L. J. Coppin.

J. W. WALKER,

J. M. HENDERSON,

J. D. COWAN,

W. C. CLELAND,

A. J. WILSON.

JAS. B. DUDLEY, A. M.

W. H. MANOKOO,

Committee.

Whereas the forth coming General Conference which will convene in May, 1912, in Kansas City, Missouri, will in all probability elect not less than three new Bishops to the Episcopal rank; and whereas the invincible and gallant leader of the Western North Carolina Conference, in the person of Dr. R. H. W. Leck; a man whom we believe possesses all the characteristics necessary to grace the position with dignity and honor, is ripe in experience, an executer and parliamentary of no mean ability, therefore, be it resolved that he be unanimously endorsed by the Conference and unreservedly supported by the delegates, who shall represent this Conference, for the Bishopric. His just record as a pioneer and promoter of African Methodism in the "Old Tar Heel State," will eminently fit and justly entitle him to the highest gift of the church.

Resolved further, That a copy of this resolution be published in the columns of our paper and that we solicit all necessary aid from the hands of our Brethren to elect him.

BOLT, KING, JACKSON,

Committee.

To the Bishop and Conference:

Whereas, it is the consensus of opinion that Dr. Jno. Hurst will be removed from the Financial Department, by reason of his promotion to the highest gift in the church, the Bishopric, and;

Whereas, Prof. Jno. R. Hawkins, A. M., the Commissioner of Education, has filled said position with honor and dignity; therefore be it for the position of Financial Secretary, and that we solicit the assistance of all delegates necessary to elect him.

Resolved further. That a copy of this resolution be published in our  
 Resolved, That we unanimously endorse him as a logical candidate  
 church papers.

Respectfully,

K. C. POIT.

## RESOLUTION.

ern N. C. Annual Conference, Greetings:

To the Bishop and Members of the 13th Annual Session of the West-

Whereas, On the account of Father Adam and Mother Eve's disobedience in the Garden of Eden. God the great head of the church and Father of our spirit, drove them from that place of happiness and rest to till the soil, and pronounced the sentence of death upon them; so death comes to every man, and;

Whereas, We the ministers of the Western N. C. Annual Conference know that we are going to die some time and place, and many of us are not able to buy lots of our own, so that when one of us die he has to be carried to some place where his kinsfolks or friends are for burial, and;

Whereas, The soldiers of this State and United States, that protect this country, against wars, and have made it their life study and work. They have their own cemetery in which they rest together just as they fought together. Are we ministers of the Lord Jesus Christ, who have traveled from mountain to sea looking after the spiritual needs of the church and people less than theirs? Should we be cast aside when we die and scattered about in the many different cemeteries, because of non-preparation. Resolved;

First, That we ministers together with Bishop and Presiding Elders now and here do agree upon some plan by which we may be able to do something along this line.

Second. The conditions with many of us getting in homes are like we have just spoken of about burying place. Many have large families, salaries are small and it means much in the fact of the high cost of living.

Third, Let there be a committee appointed to select the place, somewhere near the center of said Conference, with the purpose of building a home for worn out ministers as well as a grave yard when they die.

To do this will make a mark in our history, making that nature itself will not destroy. And when we are in our graves the future church will rise up and call us blessed, and it will be a great moral

lection to the people whom we serve, as well as teaching them business and union. "Where there is union there is strength."

W. T. CARNISH.

---

Whereas, The pastor has worked so earnestly in arranging for the comfort of the ministers and have given every minister especial attention, and:

Whereas, The choir has added so much to the interest of the Conference with its excellent music, and:

Whereas the members and friends of St. Joseph church have added so much to our home comfort by their hospitality.

Whereas, The Presiding Elder of the Durham District, Dr. R. H. W. Leak, and Rev. J. A. Whitted, pastor of Coppin Chapel, Durham, N. C., with a membership of four and a host of friends, have built such a beautiful church in that part of Durham, known as Little Washington.

Resolved, That we tender all of the above mentioned parties a vote of thanks and pray God's continued blessings upon them.

L. L. BERRY,

C. A. STROUD,

J. E. HOLT.

Financial Department A. M. E. Church, 1541 14th St., N. W.

Washington, D. C., Nov. 17, 1911.

Bishop L. J. Coppin D. D. Durham, N. C.

My Dear Bishop:—I am sending you enclosed herewith blank for the dollar money report from the Western North Carolina Conference, and under separate cover I have mailed you copies of the Annual Report of the Financial Department 1910-1911 for distribution among the brethren of the conference, etc. I have been requested by the General Conference Commission to call your attention to the fact that the sustentation fund from the Western North Carolina Conference is overdue. They would appreciate an early settlement of that bill at the rate of \$15.00 per member for the delegation coming from that conference. With best wishes,

Sincerely yours,

JOHN HURST,
